(verse 1)

**Beautiful Lord, Help me to see
All You would have, Your servant to be.
By Your pow'r, Born from above,
I now am free!**

**Your Spirit, Lord, Dwells in my heart,
A promise to me, You'll never depart.
Oh my Lord, Merciful God,
Savior to me!**

(Chorus)

**As I come into Your presence, Lord,
And stand before Your throne,
My heart overflows
With thanksgiving and praise
For all that You have done:
Giving Your all, rising above,
Pouring Your Spirit out in love,
Lord God Almighty,
In You, salvation has come!**

(verse 2)

**Beautiful Lord, I sing Your praise,
Living for You, All of my days.
By Your grace, Paid on the cross
You've ransomed my soul!**

**You are the Truth, You are the Way,
Changing the night, To eternal Day.
Precious Lord, In You I'm reborn --
You've made me whole!**

(chorus)

**As I come into Your presence, Lord,
And stand before Your throne,
My heart overflows
With thanksgiving and praise
For all that You have done:
Giving Your all, rising above,
Pouring Your Spirit out in love,
Lord God Almighty,
In You, salvation has come!**

**Beautiful Lord,
In You, Salvation has come!**
