Verse

Jesus is the center of the throne,
A precious gem and cornerstone.
Angels cry holy to the King,
Bow down and worship,
Rise up and sing!
Jesus is the Lord of all,
Man's cleansing flood.
Entered the holy place,
Through His own blood.

Chorus

Jesus, the Lamb of God, Mighty is He!
From every tribe and tongue comes praise,
And honor, and glory and majesty;
And splendor, and blessings, cry 'holy'.
Cry 'holy', cry! Cry 'holy', cry! Cry 'holy', cry!
