(verse 1)

**I'm a living temple,
Not of flesh and blood.**

**A holy sanctuary,
Made with faith and love.**

Hidden in the heart of,

All who seek His face,

Here I am, Lord, come into this place.

Here I am, Lord, come into this place.

(chorus)

Dwell in me, dwell in me,

Holy Spirit, dwell in me.

Dwell in me, dwell in me,

Holy Spirit, dwell in me.

(verse 2)

**Deep within the soul of,
Every breath of man.**

**There is a place where God can,
Come and take His hand.**

**Share His words of wisdom,
Joy and peace and grace.**

**Here I am, Lord, come into this place,
Here I am, Lord, come into this place.**

(repeat chorus)
