(verse 1)

**The Spirit of God to E-zekiel said
"Can dry bones live, for look - they are
dead!"
But the Spirit brought life to that valley of
death,
Raised up a vast army of flesh by His
breath.
Like them, with-out You just dry bones
we are,
With no life and scattered a-far.**

(chorus 1)

**Fresh wind of God breathe on us,
Fresh wind of God blow through us.
We are one body in You, O Lord,
Bind us together in one accord.
For You we wait, O hear us pray,
Breathe on Your people today.**

(verse 2)

**In one house to-gether they called on
Your name,
Then at Pentecost Your Holy Spirit came.
Holy Ghost fall on us this hour,
Pour out Your Spirit u-pon us in pow'r,
En-able us, Lord, your wonders to share,
With all peoples every-where.**

(chorus 2)

**Fresh wind of God breathe on me,
Fresh wind of God blow through me.
Spirit, my mind and my heart come
renew,
All of my being is longing for You.
For You I wait, O hear me pray,
Breathe on Your servant today.**
