**A heart that's pure and holy,
Is a heart that learns to trust.
In a God that never fails us,
No matter what we've done.
So forgive me Lord, for doubting
Your unfailing awesome grace,
And make me more like Jesus-
'till I see You face to face.**

**How could I ever doubt Your love for me?
How could I ever doubt the place called
"Calvary?"
So forgive me Lord, for doubting
Your unfailing awesome grace,
How could I ever doubt Your love?**
