(Verse 1)

**Just the mention of Your name brings healing,
Just the mention of Your name brings peace.
And at the mention of Your name,
Let every tongue proclaim,
The wondrous love You've shared with us.
Every knee shall bow before You.
Every nation on earth will confess,
The name above all others,
In whom is our righteousness.**

(Chorus)

**Your name is Jesus,
And You are Lord.
Your name is Jesus,
And You are Lord.**

(Verse 2)

How majestic is Your name, Lord Jesus!

How majestic is Your Holy name!

And at the mention of Your name,

My heart sings out Your praise

I thank You for Your faithfulness!

Every knee shall bow before You.

Every nation on earth will confess,

The name above all others,

In whom is our righteousness.
