(chorus)

**Lord of my heart, Lord of my soul,
Teach me Your way, help me, I pray,
Your will to know.**

**Reign in my heart, fill all my soul,
'Til day follows night,
When faith becomes sight,
And Your face I behold,
O Lord of my heart!**

(verse 1)

**Lord, by Your will,
You have spoken my soul into being;
I am most fearfully, wonderf'ly made.
Now, I'm reborn as Your child,
I 'm redeemed by Your mercy,
As there upon Calv'ry the ransom You paid.**

(verse 2)

**There is no end to Your majesty, power, and glory,
More than all heaven and earth can contain.
I stand in awe of the goodness and love You have
shown me.**

My spirit cries out at the sound of Your Name...

(Bridge)

You, Lord, are most holy.

You alone deserve glory.

My heart cries, "Abba, Father, I love you!"

Savior and Lord, reign evermore!

(verse 3)

**Surely Your goodness and mercy each day shall
surround me.**

With You in my heart, I have nothing to fear.

**My soul is sealed as a promise by Your Holy
Spirit.**

I am at peace, with Your presence so near!

(ending tag)

O Lord of my heart!
