-----

**Come and pour Your Spirit out  
All across this desert land,  
Lord, revive us once again.  
Thirsty hearts are waiting for  
Your Spirit to arrive,  
Lord, revive us once again.**

-----

**(chorus)**

**Revive us once again,  
Revive us once again,  
Lord, revive us once again.  
Thirsty hearts are waiting for,  
Your Spirit to arrive,  
Lord, revive us once again.**
