**(verse 1)**

**Trust the Lord, come what may,  
Though the dark hide the way,  
For He's there, every step by your side.  
Now by faith, not by sight,  
We can walk in the Light.  
Never fear, never doubt,  
Trust in God!**

-----

**(verse 2)**

**Trust the Lord, He is near,  
When you call, He will hear,  
For He cares for the sheep of His fold.  
Yes, our Shepherd will lead,  
As we trust and believe.  
Never fear, never doubt,  
Trust in God!**

-----

**(chorus)**

**Through the night, through the day,  
As our Lord leads the way,  
There is peace from above  
As we journey on.  
By ourselves, we would fail,  
But in Him, we prevail.  
In His infinite love,  
Fear is gone!**

-----

**(verse 3)**

**Trust the Lord, hold His hand;  
By His grace we will stand,  
Though the storms bring the wind and the rain.  
One day we'll rise above,  
To the Lord that we love.  
'Til that Day, have no fear,  
Trust in God!**

-----

**(Ending: )**

**Trust His grace,  
Trust His pow'r,  
Trust in God!**
